Dear Blue Short Stop Parents,

Welcome to March, the month of Spring and St. Patrick's Day! In February, we had a lots of fun learning about groundhogs, friendship, valentines and community helpers. Brrr! Last month was so cold! Thankfully, Spring is on it's way and we can all look forward to some warmer temperatures. This month we will welcome in the season of Spring by learning about plants, bugs, and the color green. Also, Texas Independence Day is March 2nd and we will spend our first week learning all about Texas! How exciting!

This March, we have plenty of fun and adventures planned for each week! Our themes for the month are listed below. Just check out what we have in store:
